**HEARING OFFICER ORDER**

On June 17, 2004, a telephonic status conference was held. The respondent informed the hearing officer that the 45-day comment period from the United States Environmental Protection Agency regarding the modified permit has expired, but that it will check to make certain that no comment was tendered. If approved, the respondent will issue a permit and the petitioner will file a motion to voluntarily dismiss this matter.

The parties are directed to participate in a telephonic status conference with the hearing officer on August 12, 2004, at 10:15 a.m. The status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, the petitioner files a motion to dismiss prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
