## **HEARING OFFICER ORDER**

On March 25, 2004, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that it has forwarded a stipulation and proposal for settlement (stipulation) to the respondent for review. Respondent represented that it will review the stipulation and respond accordingly. To that end, respondent made an oral motion for an extension of time to answer the complainant. Complainant had no objection. Respondent's motion is granted. Respondent's answer is now due on or before June 30, 2004.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 10, 2004, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
