

ILLINOIS POLLUTION CONTROL BOARD
April 3, 1980

IN THE MATTER OF:)
SULFUR DIOXIDE AND PARTICULATES)
REGULATIONS, RULE 204(c)(1)(A),) R77-15
RULE 204(c)(1)(D), AND)
RULE 203(g)(1) of CHAPTER 2)

ORDER OF THE BOARD (by Mr. Goodman):

Celotex Corporation's March 27, 1980 Motion For Hearing is denied.

The hearing officer had authority to order denial of the additional hearing. Procedural Rule 206. Such exercise of authority was proper. Celotex' arguments are material to the weight of the evidence (the economic impact study) rather than its admissibility.

Celotex is ordered to comply with the terms of the hearing officer's order of March 26, 1980.

IT IS SO ORDERED.

Mr. Werner abstains.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 3RD day of April, 1980 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
