HEARING OFFICER ORDER

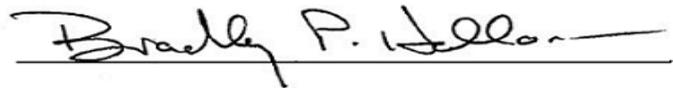

On April 10, 2024, the Illinois Environmental Protection Agency (IEPA), filed a status report and its third motion to stay the proceedings- until September 23, 2024. (Mot.) This adjusted standard is related to R23-18(A), and the IEPA argues that “to [t]he extent the Board intends to adopt a rule in R23-18(A) prior to September 1, 2024[-] the parties will know by that date whether this adjusted standard proceeding is still necessary.” Mot. at 5.

On April 24, 2024, petitioner filed its response (Resp.) objecting to the requested stay. Petitioner argues that due to the information produced at the three hearings in R23-18(A), the IEPA “is now in a position to file its recommendation in this adjusted standard matter.” Resp. at 6.

Having reviewed both the IEPA’s motion and the petitioner’s response, I find that there is no need for an additional stay and that there is enough information for the IEPA to file its recommendation in this matter. I deny IEPA’s motion to stay and direct the IEPA to file its recommendation in 45 days, or June 10, 2024.

The parties or their legal representatives are directed to participate in a telephonic status conference on June 6, 2024, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner and provide a call-in number, but each party is nonetheless responsible for its own appearance.

IT IS SO ORDERED.
