OPINION AND ORDER OF THE BOARD:

This matter comes before the Board upon a one-count complaint filed September 9, 1994, by the Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against Kropp Forge, a subsidiary of TIC United Corporation, a Delaware corporation, located at 5301 West Roosevelt Road, Cicero, Cook County, Illinois. The complaint alleges that Kropp Forge has violated Sections 9(a) and 9(b) of the Illinois Environmental Protection Act (Act), 415 ILCS 5/9(a), 5/9(b) and 35 Ill. Adm. Code 201.142 by constructing emission sources without the proper permits.

Pursuant to 415 ILCS 5/31(a)(2), the parties filed a joint motion requesting relief from the Act's hearing requirement on June 23, 1995. The Board published a notice of the waiver on June 28, 1995; no objection to the granting of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a Stipulation and Settlement Agreement on June 23, 1995. The Stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Kropp Forge admits the alleged violations and agrees to pay a civil penalty of sixteen thousand dollars (\$16,000.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
