ORDER OF THE BOARD (by B. Forcade):

On April 11, 1988, the City of Highland, Illinois, filed a Petition for Variance. That petition is deficient in that it fails to provide:

1. A specific identification of the particular provisions of the regulations or Board Order from which the variance is sought, as required by 35 Ill. Adm. Code 104.121(a);
2. A statement of whether the requested relief is consistent with federal law as required by 35 Ill. Adm. Code 104.122; and
3. A request for a hearing on the petition if desired by petitioner; or, in the alternative, a statement waiving a hearing, accompanied by such affidavits or other proof in support of the material facts alleged in the petition as the petitioner may submit, as required by 35 Ill. Adm. Code 104.124).

Unless an amended petition is filed within 45 days of the date of this Order, curing the above-noted defects, this matter will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 21st day of April, 1987, by a vote of 7-0.
