ORDER OF THE BOARD (by C.A. Manning):

On March 30, 1998, the Illinois Environmental Protection Agency (Agency) and the Illinois State Toll Highway Authority (petitioner) filed a request for extension of the 35-day appeal period pursuant to Section 40 of the Environmental Protection Act (415 ILCS 5/40(a)(1) (1996)), relating to a February 13, 1998, Agency determination. On May 12, 1998, petitioner filed a petition for review. The final determination concerns petitioner's site commonly known as the Lincoln-East-Oasis located on Interstate 294, South Holland, Cook County, Illinois. This matter is accepted for hearing.

The hearing must be scheduled and completed in a timely manner, consistent with Board practices and the applicable statutory decision deadline, or the decision deadline as extended by a waiver. (Petitioners may file a waiver of the statutory decision deadline pursuant to 35 Ill. Adm. Code 101.105.) The Board will assign a hearing officer to conduct hearings consistent with this order, and the Clerk of the Board shall promptly issue appropriate directions to that assigned hearing officer.

The assigned hearing officer shall inform the Clerk of the Board of the time and location of the hearing at least 30 days in advance of hearing so that a 21-day public notice of hearing may be published. After hearing, the hearing officer shall submit an exhibit list, a statement regarding credibility of witnesses, and all actual exhibits to the Board within five days of the hearing.

Any briefing schedule shall provide for final filings as expeditiously as possible and, in time-limited cases, no later than 30 days prior to the decision due date, which is the final regularly scheduled Board meeting date on or before the statutory or deferred decision deadline. Absent any future waivers of the decision deadline, the statutory decision deadline is now September 10, 1998 (120 days from May 12, 1998); the Board meeting immediately preceding the decision deadline is scheduled for September 3, 1998.

If after appropriate consultation with the parties, the parties fail to provide an acceptable hearing date, or if after an attempt the hearing officer is unable to consult with the parties, the hearing officer shall unilaterally set a hearing date in conformance with the schedule above. The hearing officer and the parties are encouraged to expedite this proceeding as much as possible. The Board notes that Board rules require the Agency to file the entire Agency record of its review of the Site Classification Work Plan and Budget within 14 days of notice of the petition. See 35 Ill. Adm. Code 105.102.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 21st day of May 1998 by a vote of 7-0.
