OPINION AND ORDER OF THE BOARD (by J. Theodore Meyer):

This matter comes before the Board upon a four-count complaint filed on December 31, 1996, by the Attorney General of the State of Illinois, on behalf of the People of the State of Illinois, against Dixon-Marquette Cement, Inc. (respondent), an Illinois corporation and division of Prairie Material Sales, Inc., located at 1914 White Oak Lane, Dixon, Lee County, Illinois. The complaint alleges that respondent violated Section 12(f) of the Environmental Protection Act (Act) (415 ILCS 5/12(f) (1996)) and 35 Ill. Adm. Code 305.102(a) and (b), 309.102(a), and 309.104(a) by discharging effluent without a valid National Pollutant Discharge Elimination System (NPDES) permit, failing to comply with reporting requirements, failing to retain records, and failing to comply with NPDES permit conditions.

On April 13, 1998, the parties filed a stipulation, settlement agreement, and a joint motion requesting relief from the hearing requirement pursuant to Section 31(c)(2) of the Act. 415 ILCS 5/31(c)(2) (1996). The Board published a notice of the request for waiver on April 17, 1998. The Board did not receive any objections to the granting of the waiver. Accordingly, the Board grants a waiver from the hearing requirement.

The stipulation sets forth facts relating to the nature, operations, and circumstances surrounding the claimed violations. Respondent neither admits nor denies the alleged violations, but agrees to pay a total civil penalty of \$40,000.

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, State, or local regulations, including but not limited to, the Act and the Board's.

This opinion constitutes the Board's finding of fact and conclusions of law in this matter.

ORDER

- 1) The Board hereby accepts the stipulation and settlement agreement executed by the People of the State of Illinois and Dixon-Marquette Cement, Inc., an Illinois corporation and division of Prairie Material Sales, Inc., located at 1914 White Oak Lane, Dixon, Lee County, Illinois. The stipulation and settlement agreement are incorporated by reference as though fully set forth herein.
- 2) Respondent shall pay the sum of \$40,000 within 30 days of the date of this order, on or before June 20, 1998. Such payment shall be made by certified check payable to the Treasurer of the State of Illinois, for deposit into the Illinois Environmental Protection Trust Fund, and shall be sent by First Class mail to:

Illinois Environmental Protection Agency
Fiscal Services Division
1021 N. Grand Avenue East
P.O. Box 19276
Springfield, Illinois 62794-9276

The certified check shall clearly indicate on its face respondent's federal employer identification number 362368188, and that payment is directed to the Environmental Protection Trust Fund.

Any such penalty not paid within the time prescribed shall incur interest at the rate set forth in subsection (a) of Section 1003 of the Illinois Income Tax Act, (35 ILCS 5/1003 (1996)), as now or hereafter amended, from the date payment is due until the date payment is received. Interest shall not accrue during the pendency of an appeal during which payment of the penalty has been stayed.

3. Respondent shall cease and desist from the alleged violations.

IT IS SO ORDERED.

Board Member K.M. Hennessey abstained.
