Respondent.	)	

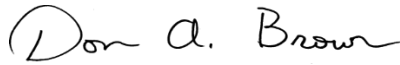

ORDER OF THE BOARD (by J. Van Wie):

On August 14, 2024, the parties timely filed a joint notice to extend the 35-day period within which Archer Daniels Midland Company (ADMC) may appeal a July 11, 2024 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2022); 35 Ill. Adm. Code 101.300(b), 105.206(c), 105.208(a), (c). In the determination, the Agency reissued a National Pollutant Discharge Elimination System (NPDES) permit that set effluent limitations, monitoring requirements, and special conditions for ADMC’s North Water Treatment Plant located at 5655 Rea’s Bridge Road in Decatur, Macon County.

The Board extends the appeal period until October 9, 2024, as the parties request. *See* 415 ILCS 5/40(a)(1) (2022); 35 Ill. Adm. Code 105.208(a). If ADMC fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on August 22, 2024, by a vote of 4-0.

Don A. Brown, Clerk  
Illinois Pollution Control Board
