HEARING OFFICER ORDER

On November 4, 2024, respondent filed an Unopposed Motion for Extension of Time to Respond to Petitioner's Document Requests. Respondent states that the production of the RCH Newco II RCRA Closure file, referenced in my October 24, 2024, order, is an extensive volume. Respondent continues to assemble the requested file. Respondent states that petitioner does not object to an extension of time to January 6, 2025, to produce the file.

Respondent's motion is granted.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 17, 2024, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
