HEARING OFFICER ORDER

On November 7, 2024, a telephonic status conference was held. The complainants reported that the parties have had productive discussions since the last status conference and that respondent has recently provided an affidavit from its environmental engineer stating that the monitoring wells are now operational. This enforcement matter appears resolved and complainants anticipate filing a motion to voluntarily dismiss (motion) within 30 days.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 30, 2025, at 11:00 a.m. If, however, a motion is filed prior to the next status conference, the conference will be cancelled without further notice. The complainants will provide a call-in number.

IT IS SO ORDERED.
