Re: FOIA Request 2024-309

In response to your FOIA request requesting "List of Records from 2010-2024 including owners name, addresses, reason for violation (a-e), specifically, for violations written for 1) 4-5 Animals Miscellaneous Offenses. 2) 12-173 Disturbing the Peace. 3) 12-188 Loud Speakers, please note the following:

Attached please find "All Available Requested Records (Redactions Applied).

Please note: the FOIA requested contains personal and private information of private individuals and have been redacted in accordance with FOIA law. In regards to redactions, The Freedom of Information Act allows redactions under exemption 7(1)(b) "Private Information" and exemption 7 (1)(c) "Personal Information". Personal and Private information would include video/audio.

Exemption 7(1)(b) "Private Information" allows redaction of "unique identifiers" such as social security numbers, driver's license number, personal phone numbers, home addresses and license plate numbers.

Exemption 7(1)(c) "Personal Information" allows redaction of information that would "constitute a clearly unwarranted invasion of personal privacy" such as birth dates, insurance information and vehicle vin numbers.

Any questions concerning this FOIA, please contact me at fclarin@evpkpd.org.

Sincerely,

Frank J. Clarin
Records Supervisor/FOIA Officer

Re: FOIA Request 2024-309

In response to your FOIA request requesting "List of Records from 2010-2024 including owners name, addresses, reason for violation (a-e), specifically, for violations written for 1) 4-5 Animals Miscellaneous Offenses. 2) 12-173 Disturbing the Peace. 3) 12-188 Loud Speakers, please note the following:

Attached please find "All Available Requested Records (Redactions Applied).

Please note: the FOIA requested contains personal and private information of private individuals and have been redacted in accordance with FOIA law. In regards to redactions, The Freedom of Information Act allows redactions under exemption 7(1)(b) "Private Information" and exemption 7 (1)(c) "Personal Information". Personal and Private information would include video/audio.

Exemption 7(1)(b) "Private Information" allows redaction of "unique identifiers" such as social security numbers, driver's license number, personal phone numbers, home addresses and license plate numbers.

Exemption 7(1)(c) "Personal Information" allows redaction of information that would "constitute a clearly unwarranted invasion of personal privacy" such as birth dates, insurance information and vehicle vin numbers.

Any questions concerning this FOIA, please contact me at fclarin@evpkpd.org.

Sincerely,

Frank J. Clarin
Records Supervisor/FOIA Officer

ARTICLE III. OFFENSES DIRECTED AGAINST PROPERTY RIGHTS*

Sec. 12-188. Loudspeakers; sound trucks.

(a) *Permit for amplification of sound.* It shall be unlawful for any person to maintain, operate, use or employ any loudspeaker, electronically or mechanically operated, producing sound, which sound is amplified and heard over any public street, public place or private property other than the property of the person so maintaining, operating, using or employing the same, without first having obtained a permit. Noise emanating from private property shall not cause distress to persons on neighboring property. This subsection shall not apply to emergency vehicles and vehicles of the public works department.

(b) *Standards for issuance of permit.* Any permit shall be issued only for parades authorized by the board of trustees, political speeches, public gatherings and matters of public issue. The permit shall be issued without fee and subject to the following restrictions:

(1) No such amplification device shall be employed on or after 8:00 p.m. on any prevailing day and 8:00 a.m. the next day.

(2) No permittee shall use, operate, or employ such device within a radius of 2 blocks from any hospital or rest home, or within a radius of 2 blocks of a church when such church is in session.

(3) No permittee shall allow any lewd, obscene, profane, indecent language or sounds, advertisement or false representation of any matter to emanate from such device.

(4) No such permittee shall allow the noise from such sound device to be amplified greater than is tolerable to the human ear by an ordinary person within hearing distance and, in any event, no greater than 85 decibels based on sound levels measured with a sound level meter by such person at the source of such sound, **nor shall such noise cause distress to persons on neighboring property.**
