PETITION OF AMEREN ENERGY MEDINA)

MOTION FOR EXTENSION OF TIME

NOW COMES the Illinois Environmental Protection Agency (Agency or Illinois EPA), by and through one of its attorneys, Sara G. Terranova, pursuant to 35 Ill. Adm. Code 101.500 and 101.522, and respectfully requests that the Illinois Pollution Control Board (Board) grant the Illinois EPA additional time to respond to both of the Petitioner's requests: (1) to stay the above-captioned proceeding, and (2) to extend the discovery period. In support of this motion, the Illinois EPA states as follows:

1. On Friday, December 19, 2024, Petitioner filed motions requesting to both stay the proceeding for 180 days and to extend the discovery deadline.
2. Pursuant to 35 Ill. Adm. Code 101.500(d), a party may file a response within 14 days of service of the motion. The Agency must file a response by January 2, 2025.
3. Also pursuant to 35 Ill. Adm. Code 101.500(d), parties may request that the Board grant additional time to respond by filing a motion for an extension of time before the response period expires.
4. Due to the State holidays that fall within the response period and the Agency's upcoming move to a new work location, the Agency is requesting additional time to file a response to Petitioner's requests.

WHEREFORE, the Illinois EPA respectfully requests that the Board extend the deadline to respond to Petitioner's motions to Friday, January 17, 2025.

Respectfully submitted,
