**PETITION FOR REVIEW OF ILLINOIS ENVIRONMENTAL
PROTECTION AGENCY DECISIONS**

Owens Oil Company, by its attorney, Carolyn S. Hesse of Barnes & Thornburg, pursuant to the Illinois Environmental Protection Act, 415 ILCS 5/1 *et. seq.* (the "Act") and 35 Illinois Administrative Code Section 105.400 *et. seq.*, hereby appeals certain decisions by the Illinois Environmental Protection Agency (the "Agency").

1. Owens Oil Company ("Owens") is the owner of property located at 401 North Main, Greenfield, Greene County, Illinois. The site was a gasoline service station that had underground storage tanks (USTs) on the property, which stored gasoline.
2. LUST Incident Number 892547 was obtained following a site investigation.
3. On February 5, 2003, the Agency received Owens' complete request for reimbursement of costs from the Illinois Underground Storage Tank Fund (the "Request") for the period from December 1, 1999 to September 30, 2000 in the amount of \$19,061.01.

4. The Agency denied certain costs in the Request in a letter dated March 11, 2003, a copy of which is attached hereto as Exhibit A.
5. Owens is appealing this March 11, 2003 denial because the Agency denied certain costs by claiming that the owner/operator failed to demonstrate that the costs were reasonable.
6. Owens disagrees with the Agency's decision and believes that the costs submitted for reimbursement are reasonable corrective action costs and are the types of costs that are eligible for reimbursement under the Act and implementing regulations.
7. The Agency's letter denying reimbursement, Exhibit A, provides no further explanation of the Agency's reasons or bases for denial that could aid Petitioner in setting forth its grounds of appeal. Nevertheless, the Agency's denial is a final decision that Petitioner must appeal to the Board in order to preserve and enforce Petitioner's right to reimbursement under the UST Fund.
8. On April 18, 2003, the parties timely filed a joint notice to extend the appeal deadline. On May 1, 2003, the Board filed an order extending the appeal deadline until July 15 2003, a copy of which is attached hereto as Exhibit B. Pursuant to the Board's May 1, 2003 order, this appeal is timely filed.

WHEREFORE, Owens Oil Company respectfully requests that the Board enter an order that will provide that it be reimbursed from the UST Fund for its submitted costs and for its attorneys' fees and costs in bringing this appeal.

Respectfully submitted,

Owens Oil Company

Dear Sir/Madam:

The Agency has completed the review of the request for reimbursement of corrective action costs from the Illinois Underground Storage Tank Fund for the above-referenced facility. The invoices reviewed covered the period from December 1, 1999 to September 30, 2000. The amount requested was \$19,061.01.

The deductible amount for this claim is \$10,000.00, which was previously deducted from the Invoice Voucher dated March 20, 1995. Listed in Attachment A are the costs which are not being reimbursed from this request and the reasons these costs are not being reimbursed.

On February 5, 2003, the Agency received your complete request for payment for this claim. As a result of the Agency's review of this claim, a voucher for \$16,540.13 will be prepared for submission to the Comptroller's Office for payment as funds become available based upon the date the Agency received your complete request for payment of this claim. Subsequent claims that have been/are submitted will be processed based upon the date complete subsequent billings requests are received by the Agency.

This constitutes the Agency's final action with regard to the above invoices. An underground storage tank owner or operator may appeal this final decision to the Illinois Pollution Control Board (Board) pursuant to Section 22.18b(g) and Section 40 of the Act by filing a petition for a hearing within 35 days after the date of issuance of the final decision. However, the 35-day period may be extended for a period of time not to exceed 90 days by written notice from the

(90-Day Extension)

ORDER OF THE BOARD (by T.E. Johnson):

On April 18, 2003, the parties timely filed a joint notice to extend the 35-day period within which Owens Oil Company may appeal a March 11, 2003 determination of the Illinois Environmental Protection Agency (Agency). See 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.402, 105.406. Because the postmark date of the joint request is within the time for filing, the joint request was timely filed. 35 Ill. Adm. Code 101.300(b)(2), 105.404. The Agency approved the payment of corrective action costs, with modifications, for Owens Oil Company's leaking underground petroleum storage tank facility located at 401 North Main, Greenfield, Greene County. The Board extends the appeal period until July 15, 2003, as the parties request. See 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.406. If Owens Oil Company fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on May 1, 2003, by a vote of 7-0.
