ORDER OF THE BOARD (by A Tin):

On December 19, 2024, at the parties' request, the Board extended until March 3, 2025, the time period for the City of Rochelle to appeal an October 29, 2024 determination of the Illinois Environmental Protection Agency (Agency or IEPA). *See* 415 ILCS 5/40(a)(1) (2022); 35 Ill. Adm. Code 101.300(b), 105.206(c), 105.208(a), (c). In the determination, the Agency issued a National Pollutant Discharge Elimination System (NPDES) permit with conditions for the City of Rochelle's water reclamation facility located at 888 Treatment Plant Drive in Rochelle, Ogle County.

The City of Rochelle did not timely file a petition for review and on February 18, 2025, withdrew its appeal. The withdrawal states that "[i]t is Rochelle's understanding that IEPA will be issuing a new permit that will replace the permit that is the topic of this appeal, rendering this appeal moot." Because the City of Rochelle failed to timely file a petition for review and withdrew its appeal, the Board dismisses this case and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on March 6, 2025, by a vote of 5-0.

Don A. Brown, Clerk
Illinois Pollution Control Board
