ORDER OF THE BOARD (by R.C. Flemal):

This matter comes before the Board upon a motion for time to comply and for other relief. The motion was filed on January 5, 1998 by respondent Interconnect Corporation (EIC). Complainant Gordon Krautsack filed a response on January 13, 1998.

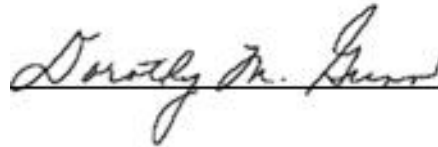

EIC requests an extension of 120 days to complete the remediation ordered by the Board in its August 21, 1997, order in this matter. Pursuant to that order the required remediation was to be completed by December 31, 1997. EIC further requests that the Board refrain from entering sanctions in this matter for noncompliance to date. EIC admits that it has not begun to remediate the site in question, but contends that this failure is inadvertent and not willful. Motion at 2.

Complainant observes that he will not object to an extension. Response at 2. Complainant does request that any extension be final and to no later than April 23, 1998, 100 days after complainant's response. Response at 2.

Respondent EIC is hereby granted an extension of time April 23, 1998 to comply with the Board's August 21, 1997, order. The Board will impose no sanctions at this time.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 22nd day of January 1998, by a vote of 7-0.
