Dear Clerk of the Illinois Pollution Control Board Don Brown,

Please docket this email as a public comment for R2024-017 in the Matter of Proposed Clean Car and Truck Standards: Proposed Section 35 III. Admin. Code 242.

Thank you for reciting my public comment. I work in IL breathing in the pollution often and I support the Illinois Pollution Control Board adopting the Proposed Clean Car and Truck Standards. These standards are important to me for many reasons and I value clean air, clean water, and clean land.

Sincerely,  
Mrs. Beth Gutzler
