<b>RCRA DELISTING ADJUSTED</b>	)	<b>AS 2025-001</b>
<b>STANDARD PETITION OF</b>	)	<b>(Adjusted Standard – Land)</b>
<b>EXXONMOBIL OIL CORPORATION</b>	)	<b>(RCRA Delisting)</b>

**PROOF OF PETITION NOTICE REQUIREMENTS**

Pursuant to 415 ILCS 5/28.1 and 35 Ill. Admin. Code §§ 104.408 and 104.410, on May 9, 2025, Petitioner ExxonMobil Oil Corporation (“Petitioner” or “ExxonMobil”) has published notice of the filing of its RCRA Delisting Adjusted Standard Petition (“Petition”) by legal notice in a newspaper of general circulation in the area of Petitioner’s refinery located at 25915 S. Frontage Road, Channahon, Illinois (the “Joliet Refinery”). In support of this filing, Petitioner states the following:

1. Petitioner filed the Petition with the Illinois Pollution Control Board on April 25, 2025.
2. Pursuant to the Petition, ExxonMobil seeks an adjusted standard to delist specific Primary Treatment Solids designated as F037, F038, K048, and K051 generated at the Joliet Refinery, from classification as hazardous waste under 35 Ill. Adm. Code Part 721.
3. On May 9, 2025, Petitioner published a notice of the filing of the Petition by legal notice in the Joliet Herald News, which is a newspaper of general circulation in the area in and around Channahon, Illinois.
4. As required by 35 Ill. Admin. Code § 104.408(a), Petitioner published the notice of the Petition within 14 days after it filed the Petition.
5. The notice includes the specific language required by 35 Ill. Admin. Code § 104.408(b).

6. As required by 35 Ill. Admin. Code § 104.410, a certificate of publication issued by the publisher certifying publication of the notice on May 9, 2025, is attached as **Exhibit A**. The certificate of publication includes Petitioner's notice as it appeared in the Joliet Herald News and states the publication is a newspaper as defined by the Illinois Notice by Publication Act, 715 ILCS 5/5. The notice was also placed on a statewide public notice website as required by 715 ILCS 5/2.1.

WHEREFORE, for the reasons stated above, Petitioner ExxonMobil Oil Corporation has satisfied the requirements for providing notice of the filing of its RCRA Delisting Adjusted Standard Petition and for filing proof of such notice with the Illinois Pollution Control Board.

**PUBLIC NOTICE**

Notice of Petition by ExxonMobil Oil Corporation for an Adjusted Standard before the Illinois Pollution Control Board. On April 25, 2025, ExxonMobil filed a petition with the Illinois Pollution Control Board (docket no. AS 2025-001) for an adjusted standard from 35 Ill. Adm. Code 721.131 and 35 Ill. Adm. Code 721.132 for its refinery located at 25915 S. Frontage Road, Channahon, Illinois. The refinery produces gasoline, diesel, and other key feedstocks, employs approximately 625 personnel, and supports an average of about 250 contractors. ExxonMobil's proposed adjusted standard requests the delisting of specific "Primary Treatment Solids" ("PTS") generated at the refinery and currently designated as F037, F038, K048, and K051 hazardous wastes. The PTS wastes are generated from the refinery's wastewater treatment and oil recovery processes and are currently managed as hazardous wastes under applicable Illinois and federal RCRA regulations, based on their current designations. The technical support document filed with the petition provides data and information demonstrating that the PTS wastes do not meet the criteria for hazardous waste classification. The proposed adjusted standard would allow the delisted PTS to be managed as non-hazardous waste, subject to rigorous testing and reporting procedures.

Any person may cause a public hearing to be held in the above-described adjusted standard proceeding by filing a hearing request with the Board within 21 days after the date of the publication of this notice. The hearing request should indicate the docket number for the adjusted standard proceeding, as found in this notice. The hearing request must be mailed to the Clerk, Illinois Pollution Control Board, 100 W. Randolph Street, Suite 11-500, Chicago, Illinois 60601, or filed electronically through COOL, located on the Board's website (<https://pcb.illinois.gov/>).
