ORDER OF THE BOARD (by M. Gibson):

On March 14, 2025, Stanley Boyd, et al. (complainants) filed a three-count complaint against Aqua Illinois, Inc. (Aqua). The complaint asserts nuisance, negligence, and trespass claims and requests monetary damages against Aqua for causing water pollution in the Village of University Park, Cook County. On April 17, 2025, Aqua filed a motion to dismiss the complaint.

On May 15, 2025, complainants filed a motion to voluntarily dismiss the complaint. On May 21, 2025, Aqua filed a response to the motion to voluntarily dismiss (Resp.) and reported that it does not oppose the request. Resp. at 1.

The Board grants the unopposed motion to voluntarily dismiss, dismisses the complaint, and closes the docket. Having granted complainants' motion to dismiss their complaint, the Board denies respondent's motion as moot.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on June 5, 2025, by a vote of 5-0.
