ORDER OF THE BOARD (by J.A. Van Wie):

On August 21, 2025, the parties timely filed a joint notice to extend the 35-day period within which petitioners Illinois International Port District and Clean Harbors Services, Inc. (collectively, Petitioners) may appeal an August 6, 2025, determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2024); 35 Ill. Adm. Code 101.300(b), 105.206(c), 105.208(a), (c). In the determination, the Agency approved Petitioners' corrective action plan, with conditions and modifications, including an interim groundwater monitoring program, to meet the corrective action requirements of the Resource Conservation and Recovery Act (RCRA) permit for Petitioners' solid waste management facility located at 11800 South Stony Island Avenue in Chicago, Cook County.

The Board extends the appeal period until December 4, 2025, as the parties request. *See* 415 ILCS 5/40(a)(1) (2024); 35 Ill. Adm. Code 105.208(a). If Petitioners fail to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on September 4, 2025, by a vote of 5-0.
