On November 20, 2025, the respondent filed a motion of extension of time to file the record. Petitioner has no objection. The motion is granted and the record is now due on December 31, 2025.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 22, 2026, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
