HEARING OFFICER ORDER

On September 9, 2004, all parties participated in a telephonic status conference with the hearing officer. The respondents represented that the completion of the plans by the architect have been somewhat delayed but should be completed in the near future. The respondent also represented that it is proceeding with the septic permit proceedings and that it is close to resolving that issue. Respondent represented that it has forwarded the revised settlement document to the complainants. The complainants are at present reviewing them. Finally, the respondent represented that it is proceeding with other projects in an attempt to expedite the progress of the new kennel.

The parties are directed to participate in a telephonic status conference with the hearing officer on October 21, 2004, at 11:45 a.m. The status conference must be initiated by the complainants, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
