UNOPPOSED MOTION TO VOLUNTARILY DISMISS PETITION FOR REVIEW
WITHOUT PREJUDICE

COMES NOW Petitioner Bunge Milling, Inc. (“Bunge” or “Petitioner”), through its undersigned counsel, and for its Unopposed Motion to Voluntarily Dismiss Petition for Review Without Prejudice (“Motion”), states as follows:

1. On February 14, 2023, Bunge filed its Petition for Review of Federally Enforceable State Operating Permit and Request for Stay of Contested Conditions (“Petition for Review”).
2. Bunge and the Illinois Environmental Protection Agency (“Illinois EPA” or “Respondent”) have reached a resolution of the underlying subject matter of this Air Permit Appeal, such that continued prosecution of the appeal is no longer necessary.
3. Bunge further notes that the Danville, Illinois facility that was the subject of the appeal is no longer owned by Bunge and was sold to Grain Craft, LLC effective July 1, 2025.
4. Bunge has consulted with Respondent. Respondent does not oppose the Motion.

WHEREFORE, Bunge respectfully requests the Board issue an order granting this Motion and dismissing Bunge’s Petition for Review without prejudice.
