**HEARING OFFICER ORDER**

On January 8, 2026, all parties participated in telephonic status conference with the hearing officer. Discussions centered on complainant’s motion for interlocutory appeal from hearing officer’s orders that was filed with the Board on January 7, 2026. The complainant was directed to serve the respondent which she has not done. Respondent’s attorney represented that he will timely file his response.

Complainant then requested that respondent adjusted the tarp that is hanging from the fence because it is too long and causes water to pool and rats to burrow underneath- causing the dog to bark. (See complainant’s document filed with the Board on December 22, 2025). Respondent’s attorney stated that he will consult with his client.

The parties or their legal representatives are directed to participate in an agreed upon telephonic status conference with the hearing officer on March 9, 2026, at 11:30 a.m. The telephonic status conference must be initiated by the complainant by calling the number below, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter, outstanding motions, deposition dates, and their readiness for hearing.

IT IS SO ORDERED.
