HEARING OFFICER ORDER

On September 9, 2004, all parties participated in a telephonic status conference with the hearing officer. The petitioner represented that it will forward the most recent draft of the site-specific rulemaking to the respondent for review. The petitioner remains optimistic that it will file the site-specific rulemaking with the Board which is modeled after R02-20 in the future.

The parties are directed to participate in a telephonic status conference with the hearing officer on November 18, 2004, at 11:00 a.m. The status conference must be initiated by the petitioner, but each party nonetheless is responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
