**HEARING OFFICER ORDER**

On February 5, 2026, all parties participated in a telephonic status conference with the hearing officer. It is noted that cross-motions remain pending before the Board. Due to the looming statutory decision date of April 17, 2026, a hearing was discussed to be held on or about March 11, 2026. At the next status conference noted below, the parties were directed to reveal the number of witnesses, if any, who would be attending and confirm the hearing date. Notice of hearing will be issued no later than February 13, 2026. The parties have been advised that because of the decision date and the Notice timeline, little or no time will be allotted for post-hearing briefing.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 11, 2026 at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter, witnesses who will be testifying, should a hearing be necessary, and number of days necessary to complete the hearing.

IT IS SO ORDERED.
