HEARING OFFICER ORDER

On March 5, 2026, all parties participated in a telephonic status conference with the hearing officer. The parties reported that this matter is in the same posture as last status conference where they await the USEPA’s approval of the Board’s Rulemaking, R23-18(A), amendments to 35 Ill. Adm. Code 212, 215, 216 and 217 to then proceed with the above-captioned adjusted standard. The Illinois Environmental Protection Agency stated that when the USEPA approves the amendments and it appears in the Federal Register, it will notify interested parties.

The parties or their legal representatives are directed to participate in a telephonic status conference on June 11, 2026, at 10:30 a.m. The telephonic status conference must be initiated by the petitioner and provide a call-in number, but each party is nonetheless responsible for its own appearance.

IT IS SO ORDERED.
