HEARING OFFICER ORDER

On September 24, 2004, the parties participated in a telephone status conference with the hearing officer. The parties will discuss the possibility of settlement, or at least try to narrow issues for hearing. Petitioner agreed to file a 60-day or 90-day decision deadline waiver within the next seven days. On September 20, 2004, respondent filed a motion to extend time to file the administrative record until it appears that a hearing will be necessary. Petitioner does not object to this motion. Accordingly, the motion is granted.

The parties are directed to participate in a telephone status conference with the hearing officer at 1:30 p.m. on November 18, 2004. The status conference shall be initiated by the petitioners. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

The decision deadline for this case is December 16, 2004.

IT IS SO ORDERED.
