Date: Saturday, March 21, 2026 8:02:50 AM

Dear Mr. Brown,

I am writing to you as concerned resident of Romeoville regarding Case: AS 2026-001 (CITGO LEMONT REFINERY PETITION).

We recently became aware of this petition. I'm afraid the communities most affected by emissions from the Lemont refinery were not meaningfully notified. Publishing a notice on a community farther from the refinery does not ensure that those most impacted have the opportunity to participate in this process.

Given that the most affected communities were not notified I respectfully request that the Board extend the comment period so residents can meaningfully participate.

Thank you,
Maritza O.
