

Electronic Filing: Received, Clerk's Office 03/23/2026 P.C. #15

From: [ZILVINE PETRUSEVICIUS](#)

Subject: [External] AS 2026-001 (CITGO Lemont Refinery Petition)
Date: Monday, March 23, 2026 2:44:06 PM

I am a mother and grandmother in Lemont, and I do not support CITGO's request to loosen carbon monoxide limits.

It is especially concerning that notice was not properly shared in our local communities, even though we are directly affected.

We deserve transparency and protection - not reduced standards.
