Subject: [External] AS 2026-001 (CITGO Lemont Refinery Petition)
Date: Wednesday, March 25, 2026 1:28:57 PM

I respectfully ask that CITGO's petition be denied. They have documented violations during the same conditions they are now seeking relief for. This raises serious concerns. Additionally, local residents were not properly informed. CITGO has repeatedly exceeded CO limits during startup and shutdown. Granting relief would normalize these violations rather than require correction. This is not in the best interest of surrounding communities. Please deny the petition.

Thank you for caring!
