**HEARING OFFICER ORDER**

On April 9, 2026, all parties, including an interested party, Kathy Roeder, with the USEPA, were present at the telephonic status conference with the hearing officer. It was noted that respondent's response has been timely filed, and the parties await the Board's future orders in this TLWQS petition.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 23, 2026, at 11:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. The petitioner is to provide a call-in number. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
