Good morning, Toby,

We will include that correction to line 2030 background text and file replacement pages with SOS. Thank you for catching that one, too.

Best regards,

Richard

Good morning, Toby,

Thank you for your message.

We did inadvertently eliminate those two incorporations by reference. As requested, we'll add them back into Section 720.111(a).

Thanks for catching the mistakes.

Best regards,

Richard

Good morning, Richard, I hope you're doing well.

See lines 1510-1511 and 1617-1618 in the attached PDF. It appears that the last time this rulemaking was updated, those incorporations by reference were erroneously removed. They weren't struck, as an intentional change; rather, PCB simply filed rule text that did not include them at all. Assuming this was unintentional, we'll ask you to add back these incorporations into the rule text. If PCB does actually want them out, I'll need to confer with Kim, but my guess is that we'll want them added back as stricken text.

Let me know the intent here.

Thanks,

Toby
