**Subject: Request to Reschedule CITGO Public Hearing Time**

Dear Hearing Officer Halloran,

Dear Hearing Officer Halloran,

I respectfully request that the CITGO public hearing currently scheduled for 11:00 a.m. be moved to an evening time slot.

As currently scheduled, the timing prevents many working residents from attending. A process that is not accessible to the majority of the public raises concerns about openness and transparency, particularly for a matter of community importance. Public participation is a key part of a fair and transparent hearing process.

An evening hearing would help ensure broader access and meaningful opportunity for residents to observe and participate.

Sincerely,

Laura Reigle
