HEARING OFFICER ORDER

On May 21, 2026, all parties participated in a telephonic status conference with the hearing officer. It is again noted that the petitioner filed a motion to stay conditions on January 7, 2026. The respondent does not oppose the motion to stay. The petitioner stated that it is reviewing the voluminous record that was filed on January 14, 2026. Petitioner also stated it anticipates filing a motion addressing an allegedly incomplete record and that the parties will discuss a discovery schedule and submit for my review. Both are due to be filed June 4, 2026.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 25, 2026, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
