

nature of Savanna Quarry's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2024)), which bears on the reasonableness of the circumstances surrounding the alleged violations. Savanna Quarry neither admits nor denies the violations alleged in the complaint filed in this matter and referenced in this order. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2024)), which may mitigate or aggravate the civil penalty amount. Under the proposed settlement, Savanna Quarry agrees to pay a civil penalty of \$27,000 within 30 days after the date of this order. The People and Savanna Quarry have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
