HEARING OFFICER ORDER

On January 4, 2005, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that the parties have reached a settlement regarding the penalty demand and that it intends to draft a stipulation and proposal for settlement (stipulation) for review. The respondent made an oral motion for an extension of time to file its answer. Complainant had no objection. Respondent's motion is granted. Respondent's answer is now due on or before April 4, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 3, 2005, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
