**Subject:** [External] opposition to CITGO's petition AS 2026-001  
**Date:** Sunday, June 21, 2026 6:59:18 PM

---

Dear members of Illinois Pollution Control Board,

I am writing you regarding Citgo's petition seeking relief from existing CO emissions limits. Unfortunately, I cannot make public hearing due to the scheduled time in middle of the workday.

As Lemont resident, I strongly oppose this and I am respectfully asking you to deny this request. We can often smell odd, unspecified odors in our area. Residents of the area deserve clean air at all of the times. Please, do not prioritize one business needs over community wellbeing.

Thank you Danuse Uselova
