Hey Don,

I think Vanessa wants this to go in the record for PCB 26-42, so here's the email I sent on Friday!

Thanks,

Chloe

Hi Jace,

As I mentioned yesterday, the Board received the Griffins' response last week and we need to wait for a response to that. The Board speaks through its opinions and orders and will issue an order in due course, while balancing all of the other cases before the Board. If you would like to stay updated with the case, you can ask to be added to the notice list to receive notifications for any filings in the case, as well as check our Clerks Office On-line (COOL) for the filings.

I'm happy to answer any procedural questions, but I'm unfortunately unable to speak to any substantive matters on this case due to ex parte restrictions.

Thanks,

Chloe Salk

Good afternoon Mr. Brown,

I spoke with a liaison with the Board yesterday, who relayed a response to me over the phone regarding this matter. Just to ensure I have all the correct information before relaying it back to the Representative, can you please provide a formal written response to our office?

It would be greatly appreciated, thank you!

Jace

Good Morning Mr. Brown:

I'm reaching out on behalf of Representative Friess regarding our office's coordination with Michael Griffin on his open case with the Illinois Pollution Control Board. Attached is a copy of a letter from Representative Friess requesting information on this matter as soon as possible.

We will also be mailing the original signed letter to your office for your records.

If you have any questions, please let me know!

Thank you,
