Dear Members of the Illinois Pollution Control Board,  
I am writing to express my opposition to the petition in Case AS 2026-001.  
I am concerned that granting the requested adjusted standard could weaken environmental protections and may have negative impacts on air quality, our kids health, and the surrounding communities. I respectfully ask the Board to carefully consider the potential long-term consequences before making a decision.

Sincerely,  
Lemont Resident  
Barbara
