

Electronic Filing: Received, Clerk's Office 06/26/2026 P.C. #141

From: [Ashley Karko](#)
To: [Brown, Don](#)
Subject: [External] Case# AS 2026-001
Date: Friday, June 26, 2026 10:47:34 AM

Hello, I live in Lemont an object for Citgo to be able to continue to pollute the air in this town. This time continues to grow rapidly bringing new families and young children in and the air quality should support a growing town. Please ensure that the operation of Citgo is held to the strictest pollution monitoring possible. There is enough money to ensure that the way they operate results in clean air.
