Subject: [External] Citgo- oppose Case # AS 2026-001
Date: Friday, June 26, 2026 10:52:13 AM

Good morning,

I want to voice my opinion and vote to oppose Case #: AS 2026-001 for the Citgo to pollute our air even more in Lemont. They are constantly just paying fines and not doing anything to help lower the poisons they are making us breathe every day.

Thank you,
Tracey Cole
