

Electronic Filing: Received, Clerk's Office 06/29/2026 P.C. #165

**From:** [Amy Kelly](#)  
**To:** [Brown, Don](#)  
**Subject:** [External] Case #AS 2026-001  
**Date:** Saturday, June 27, 2026 1:52:20 PM

---

Thank you for your time and consideration at the 6.26.2026 hearing. I have a lot to say, but will try to keep it brief. Per Citgo's public statement with regard to their request, "If the IPCB denies CITGO's petition, there will be no change to current emissions, and we will continue to report as we do today."

With that alone being said, I see no reason to allow their request. They have a long history of violations and fines with regard to their emissions and with their adjacency to so many residential areas, this feels so risky to our air quality and subsequently our health. As a resident of Lemont, we hugely appreciate the support of our surrounding communities and their leaders.

Thank you for any consideration.
