Date: Wednesday, July 8, 2026 8:20:59 PM

Dear Mr. Brown,

I would like to formally register my opposition to case #AS 2027-001. As a resident of Lemont for nearly 30 years, I have watched our community grow and prosper from a rural community to a thriving suburb.

Citgo is polluting the environment of a beautiful village full of wonderful residents and causing harm to the natural world as well as human health.

Please do not allow them to exceed pollution standards as they have requested. We appreciate your support in protecting the current and future citizens of the region.

BJ Marshall
