HEARING OFFICER ORDER

On July 23, 2026, all parties participated in a telephonic status conference. The petitioner reported that it continues to internally discuss the latest offer from the respondent. Internal discussions include the monitoring wells and when concluded, will reach out to the respondent to discuss a framework going forward. Petitioner stated that it will file an additional waiver of the statutory decision deadline March 4, 2027.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 24, 2026, at 10:30 a.m. The telephonic status conference must be initiated by the petitioner, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
