HEARING OFFICER ORDER

On August 13, 2026, the respondent filed an unopposed motion to supplement the record. (Mot.). The motion requests that the record be supplemented with the Memorandum Agreement ("Delegation Agreement") between the State of Illinois and the United States Environmental Protection Agency. Mot. at 1. Respondent represents that the petitioner does not object. Mot. at 2. *See* BFI Waste Systems of North America v. Illinois EPA, PCB 24-29, at 2 (August 20, 2026) (where Board found that the record be supplemented with the identical document where it found that the Agency relied on the Delegation Agreement and that the document is publicly available).

Petitioner's unopposed motion is granted.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 22, 2026, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
