MOTION FOR EXTENSION OF TIME TO FILE RESPONSE

NOW COMES the Respondent, the Illinois Environmental Protection Agency ("Illinois EPA"), by one of its attorneys, John J. Kim, Assistant Counsel and Special Assistant Attorney General, and, pursuant to 35 Ill. Adm. Code 101.500, 101.520 and 101.522, hereby requests that the Illinois Pollution Control Board ("Board") waive the normal filing requirements of 35 Ill. Adm. Code 101.520(b) and grant the Illinois EPA an extension of time within which to file a response to the Petitioner Village of Robbins' motion to reconsider. In support of this motion, the Illinois EPA states as follows:

1. The Petitioner, Village of Robbins, filed a motion to reconsider with the Board on October 19, 2004. Pursuant to 35 Ill. Adm. Code 101.520(b), a response to the motion to reconsider is to be filed with the Board within fourteen (14) days after the filing of the motion. Accordingly, the response is due on or before November 3, 2004. The 14th day after the filing is actually November 2, 2004, which was a State holiday. Pursuant to 35 Ill. Adm. Code 101.300(a), the next business day (November 3, 2004) would then be the due date for the response.

2. In the time between service of the motion and the required date for filing the response, the undersigned counsel for the Illinois EPA has been expending time and resources in

the negotiations and settlement of several other cases. Also, a State holiday fell within that time period, which further delayed the preparation and finalization of the response.

3. The Illinois EPA is seeking a limited extension of time by which to file the response to the motion to reconsider of no more than two business days, or until November 5, 2004.

WHEREFORE, for the reasons stated above, the Illinois EPA hereby respectfully requests that the Board grant the Illinois EPA an extension of time to file the response to the motion to reconsider to November 5, 2004.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,
Respondent
