Springfield, IL 62794

Re: Hennepin Power Station; Old West Polishing Pond
Notification of Completion of Closure

Dear Mr. LeCrone:

In accordance with 40 C.F.R. § 257.102(h), Dynegy Midwest Generation, LLC (Dynegy) is providing notification that the closure of Hennepin Old West Polishing Pond was completed on November 17, 2020.

IPRG has attached the certification from a qualified professional engineer verifying that that the CCR from the Hennepin Old West Polishing Pond has been removed in accordance with the written closure plan and 40 C.F.R. § 257.102. Any remaining groundwater monitoring concentrations that exceed the groundwater protection standard established pursuant to § 257.95(h) for constituents listed in appendix IV to this part are being addressed pursuant to 40 C.F.R. § 257.96 and 40 C.F.R. § 257.97 as stated in the Corrective Measures Assessment for the Old West Ash Pond and Old West Polishing Pond multi-unit dated September 5, 2019.

Sincerely,

Dianna Tickner

Director, Decommissioning & Demolition

Certification Statement 40 CFR § 257.102(f)(3) - Completion of Closure Activities

CCR Unit: Dynegy Midwest Generation, LLC; Hennepin Power Station; Old West Polishing Pond

I, Lucas P. Carr, being a Registered Professional Engineer in good standing in the State of Illinois, do hereby certify, to the best of my knowledge, information, and belief, that the information contained in this certification has been prepared in accordance with the accepted practice of engineering. I certify that the CCR from the Old West Polishing Pond has been removed in accordance with the written closure plan revision 1, dated October 17, 2016 and 40 CFR § 257.102. Any remaining groundwater monitoring concentrations that exceed the groundwater protection standard established pursuant to § 257.95(h) for constituents listed in appendix IV to this part are being addressed as stated in the Corrective Measures Assessment for the Old West Ash Pond and Old West Polishing Pond multi-unit dated September 5, 2019.

Lucas P. Carr, P.E., Senior Engineer
