HEARING OFFICER ORDER

On October 22, 2026, all parties participated in a status conference with the hearing officer. The complainant reported that a stipulation and proposal for settlement is with the respondent for signatures.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 17, 2026, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
