L.A. REPORTING (312) 419-9292

1 HEARING OFFICER KNITTLE: Hello. I'm John
2 Knittle, Hearing Officer for the Illinois
3 Pollution Control Board. I'm also the assigned
4 Hearing Officer for the case PCB 1997-234, which
5 is Antonio D.H. Nam vs. Kikon Suh. We had a
6 hearing scheduled today, October -- my watch says
7 the 4th, but I know it's the 5th -- October 5th at
8 9:30, and on my answering machine this morning,
9 there was a message from the complainant's
10 attorney indicating that they will be filing a
11 written motion to continue the hearing for three
12 weeks.

13 I've not yet seen this motion, but
14 based on this representation, I will continue this
15 matter on the record for three weeks, namely, I
16 will continue this hearing until October 26th and
17 October 27th, 1999, at 9:30 each day here at the
18 Board's offices at Suite 11-512.

19 I should state for the record that

20 neither of the attorneys is present at this point
21 regardless. So we couldn't actually have the
22 hearing even if I weren't inclined to grant the
23 motion to continue, but I am. So this matter will
24 be continued on the record until October 26th and

1 27th.

2 Can we go off for a second?

3 (Discussion had

4 off the record.)

5 HEARING OFFICER KNITTLE: We're back on

6 the record. As I've said, this will be

7 continued. We are going to leave this hearing

8 open for another 15 minutes until 10:05 a.m. in

9 case any members of the public come. If any of

10 the members of the public do come after that, I

11 will alert them that the hearing has been

12 continued and let them know the appropriate place

13 and time to come and give their public comments.

14 That's all I have for now. Let's go off the

15 record for 15 minutes just to make sure.

16 (Break taken.)

17 HEARING OFFICER KNITTLE: We're back on
18 the record. It's a little after 10:00 o'clock.
19 No members of the public have shown up, and, as
20 I've stated before, we are going to continue this
21 hearing.

22 In the interim, I received from
23 Jacob Reese a joint motion to continue the hearing
24 which states that the parties move to continue the

1 hearing and/or trial of this matter for a period
2 of 30 days. As I said, that's granted in part.
3 We are going to stick to the October 26th and 27th
4 dates that we've already picked primarily because
5 I have a hearing that next week and we can't do
6 the 30-day period.

7 I've talked to Mr. Reese about this,
8 and he did not object to this scheduling of the
9 hearing. So that's it. This matter for the time
10 being is closed, and we are going to continue this
11 on the record until October 26th at 9:30.

12 Thank you very much.

13 (Whereupon, these were all
14 the proceedings had in

15 the above-entitled matter.)
